There is no appearance for the petitioner.

The claimant in question is alleged to have dismissed from service in the year 1976. He raised a dispute after a lapse of 19 years, i.e. in 1996. One do not know what is the reason for the delay in raising the dispute. He has made certain allegations in the claim statement. None of the allegations made are sufficient to enlarge the period. There is no explanation explaining the delay. Therefore the Labour Court was justified in rejecting the reference. I do not find any ground to interfere with the award of the Labour Court. Writ petition is dismissed.
